About me

A Software Technology undergraduate at Uva Wellassa University with a passion for web engineering. Skilled in both front-end and back-end development, focused on creating user-centered and high-quality digital products and services.

Education

Bachelor of Information and Communication Technology Honours

Jul 2022 – Ongoing

📍 Uva Wellassa University of Sri Lanka

- GPA: 3.35/4.0

GCE Advance Level

Apr 2018 – 2020

📍 MR/ Matara Central Collage

- Advanced Level in Technology Stream

Projects

Task Manager System

Developed a university task management website allowing students to create and manage tasks based on priority and status. The platform supports both individual and group task creation, enabling collaborative project management. Integrated user-friendly interfaces and efficient task-tracking features to streamline academic workflow. **(React Js, Firebase)**

Product Auction System

Designed and developed an auction platform where users can sell products through competitive bidding. Implemented real-time bidding features, product listing, and user account management to enhance the buying and selling experience. Focused on creating a secure, scalable, and user-friendly interface. **(Html, JSP, Mysql)**

University Event Management System

Developed a website to manage university events, including parking arrangements and ticket issuing. The system streamlined event coordination and improved efficiency in handling logistics and event-related services. **(React JS, Tailwind CSS, FireBase)**

CampKit Application

Developed a camping items rental app allowing users to browse and rent outdoor gear. Focused on intuitive design, seamless user experience, and efficient item search and booking management, providing a simple solution for camping gear rentals. **(Flutter framework)**

Certifications

Python Course for Beginners, University Of Moratuwa

August 04, 2024

UI/UX for Beginners, Great Learning Academy

November, 2024

Technologies

Languages:HTML, CSS, JavaScript, C++

Version Control: Git, GitHub
